Make your Jewish family story a part of history.

Researching family history is a multi-generational activity that is rewarding and fun.

Co-sponsored by Congregation Hebrew Educational Alliance (HEA) and led by members of the Jewish Genealogical Society of Colorado,

each session includes an instructional lecture and a workshop to optimize success.

Attendance is not required at all lectures and mentoring assistance is available outside of class.

Beginners are encouraged to attend!

\$30 one-time fee includes a book and annual membership in the Jewish Genealogical Society of Colorado.
